Board of Directors
CISCO SOCCER

Dear Seniors of the CISCO Soccer Club & Parents:

The CISCO BOD's (board of directors) want to thank all players and parents for being a part of CISCO. We appreciate all the time and efforts you have given to the club over the years. We'll miss all of you. We hope that you will stay involved with the club, by playing U-19 and/or becoming a trainer in future years.

In an effort to show our appreciation the BOD's have decided to offer some scholarship dollars to all seniors going onto college. It's our way of saying thanks for supporting the club and wishing you the best of luck in the future.

There are certain guidelines that must be met for you to be considered. They are:

- I have played in CISCO for three (3) or more years
- My GPA is 3.25 or higher
- I have a willingness to assist the club in the future as a trainer/coach
- I have financial needs, and this scholarship would assist me getting to college

Attached is an application for those who are interested. We'll have a drawing for those who meet all of the selected requirement. The drawing will take place at a CISCO year end function, or at a BOD meeting (in that case we would announce the date and time). The scholarship will be made out to your college, so once you received a 1st bill (for books, tuition, etc...), we'll make the check out to the college in your name.

We are trying to make CISCO the best soccer club in the Valley. We hope little things like this will be just 1 step to get us there!

Again, thanks for being a part of CISCO, we appreciate your support. We hope you will always be a part of our organization. Thanks.

Sincerely,

CISCO BOD
